

Best New Methodologies and Techniques to Enhance Safety in Spine Surgery

Abstract Submission Form

Due February 19, 2021 – email to: klaney@broad-water.com

Share Your Spine Surgery Safety Efforts that Have Made a Difference! These do not need to be formal papers but rather any project that made a difference in spine surgery quality, safety, or value.

Award: 10 best papers receive \$1,000 and are invited to present during a live webinar in April 2021

Submission welcome in any area of spine surgery safety, including neuro safety, infection, AVBT, enabling technology, host optimization, systems, culture, etc.)
